MAPLE, CURLY			<div style="border: 1px solid black; padding: 5px;"> Our LE Slabs are sold by the Board Foot. Many pieces have been scaled and may have a number written on the face followed by "BF." We calculate the "Board-Foot" measure (BF or Bd. Ft.), using the following formula and the slab's rough dimensions: <i>Multiply the # of BF in the piece by the \$ per BF to calculate the total price of the slab.</i> </div>
